This Application serves the following Membership Categories

Regular:

(Alarm Dealer, Monitoring Station) - may be classified as an Installing Dealer, or a Third Party Monitoring Company. Installing Dealer Regular Members provide installation, repair and/or monitoring of burglar alarms, fire alarms, or other electronic security systems which are consistent with the stated objectives of the association. Third Party Monitoring Company Regular Members who do not install or repair electronic security systems and do provide monitoring of burglar alarms, fire alarms, or other electronic security systems which are consistent with the stated objectives of the association.

National Company:

Shall be open to any company with offices in fifteen (15) or more states and which shall meet the following requirements:

- Provides installation and repair of burglar alarms, fire alarms, or other electronic security systems, which are consistent with the stated objectives of the association;
- A National Company shall become a member of the state chapters in not less than fifty-one percent of those states or regions where there is a CSA and in which the company has an office.

Public Safety:

Shall be open to any member of the police or fire department of any governmental organization, or any governmental agency concerned with law enforcement or fire safety upon the request of their department head.

Affiliate:

Shall be open to any individual or business that does not otherwise qualify for membership under any other membership category, but has the capability of contributing significant value or expertise to the electronic security industry, or provides design, installation, service or monitoring of electronic security systems for its own use and not to either the general public or to alarm dealers.
